

If you answer yes to any of the following questions, please return to your vehicle and contact us by phone to reschedule:

1. Do you have fever (temperature over 100.4 o) or respiratory symptoms (cough, shortness of breath)?
2. Have you traveled in the last 14 days to an area impacted by the coronavirus?
3. Have you been on cruise in the last 14 days?
4. Did you have close contact with a person confirmed or awaiting testing for COVID-19?

Contact is defined as:

- Being within approximately 6 feet, or within the room or care area, of a COVID-19 case for a prolonged period of time.
- Close contact can include caring for, living with, visiting, or sharing a health care waiting area or room with a COVID-19 case.
- Having direct contact with infectious secretions of a COVID-19 case (e.g., being coughed on) while not wearing recommended personal protective equipment.
